

Started my career in the year 2007 carving the fashion scenario with my versatile creation as a fashion designer. My first venture apart from being a designer is to associate with Mega Entertainment.

OBJECTIVE

A Designer position that utilizes my knowledge and skills to their potential. The inspiration for my level embodies the concept of contemporary fashion. A hybrid product of the abstracts aesthetics of runway couture and the free will sensibilities of ready to wear. Full understanding of pattern making and construction conceptualies seasonal colour stories inspired by current trends forecasting.

Started my career working with Mr Abhijit Singha who has leading choreographer and fashion designer of North East fashion industry, after gaining experience and knowledge in the field, I started off with venture fashion industry with Mr Abhijit Singha ingenious capability has kept me going strong past splendid decades with almost showed to credits.

VISSION STATEMENT

Fashion for me is life long pursuit of excellence....on honest endeavour to interpret the mysticism that lies beneath the women thread.

MISSION STATEMENT

to provide consumers with the highest quality offering and the latest in design wear.

EDUCATION

Two years diploma course of Fashion Designing from JD Institute of Fashion Technology, Guwahati 2008 to 2010.

EXPERIENCE

Working at Mega Entertainment From 2011.
